Sir,

I enclose an extract from the Audit Report on the accounts of this District Board for 1938-39 para 12, and a copy of the reply thereto. The objection has not however been dropped. In the circumstances explained therein I request that Government may be pleased to direct that the objection may be dropped by condoning the irregularity in the payment of the remuneration for Public Health work to the Rural Medical Practitioner, Hirehadagalli for actual work done by him during the period 13-2-1939 to 30-9-1939. Immediately on receipt of the audit objection the payment was discontinued from 1-10-1939. This Practitioner has been slected and has proceeded for duty in the Military

Extract from the Audit Report on the accounts of the Bellary District Board for the year 1938-'39.

Para 12.

Remuneration of Rs.15/- per mensem paid to a Medical Officer who has not undergone training in Public Health.

Sri.K.V.Govindarajulu Naidu and Sri.D.Lakshmana Char, Rural Medical Practitioners at Moka and Hire-Hadagalli respectively were in receipt of a remuneration of Rs.15/- each per mensem in accordance with the provisions of G.O.Nos. 1825, P.H., dated the 30-7-34, 1158 P.H., dated the 5-8-36 and 2903 P.H., dated the 13-8-1938 for doing the Public Health work. In G.O.No.2639 P.H., dated the 21st July 1938 a special course of training in theory and practice of "Public Health" for one month was prescribed for such Rural Medical Practitioners who were deputed to look-after Health and it was laid down that a remuneration of Rs.15/- a month should be paid to such Rural Medical Practitioners who have completed their Training. The District Board instead of selecting both the Medical Practitioners who were already in ~~receipt~~ receipt of the remuneration selected the Practitioner at Moka and another Mr.H.Lazarus the Practitioner at Hirehal who was not in receipt of remuneration. It is observed that Mr.H.Lazarus joined his post at Hirehal on the 13th February 1939 after the prescribed course of Training; but was not paid the remuneration of Rs.15/- a month. But Sri.D.Lakshmana Char who was not sent for Training continued to draw the allowance at Rs.15/- per mensem from the 13th February 1939 to the 30th September,1939.

The total amount paid amounted to Rs.113-9-0 as detailed in item 126 of the Annual Objection Statement. The procedure adopted is irregular.

R E P L Y.

Hire-Hadagalli was one of the Centres selected for Public Health work by the Rural Medical Practitioner long prior to the introduction of the Training. The Practitioner therefore continued to do the work and to be paid the remuneration of Rs.15/-. He was,with reference to the observations of the audit,directed to discontinue the Public Health Work and the payment of the remuneration was stopped from 1-10-1939. In the Government Order prescribing the training

training there was no specific direction to select in the first instance only those that were already doing Public Health Work. In fact the Training is ~~requested~~ required to be given to all Rural Medical Practitioners. Sri.D.Lakshmana Char also has since been trained in Public Health Work.
